Dear Jeffrey:

Thank you for taking the time to meet with us on Saturday, December 13 and for all your help in gathering information for the Institute of Medicine's study on Medical Use of Marijuana: Assessment of the Science Base. We would also like to thank the staff and members of your club who took time out of their busy lives to meet with us as well. We truly appreciate everyone's effort and found the meeting highly informative and helpful.

Upon the completion of this study we will send you a copy of the report. Until then, if you have any questions or information pertaining to the topics we sent to you prior to our visit, feel free to contact us at the above address and fax number or by phone at 202-334-1438.

Again, thank you for the information and providing a very interesting site visit. It was a pleasure to meet you, your staff and members of the Oakland Cannabis Buyer's Cooperative, and we would like to wish everyone a very happy holiday.

Sincerely,

Deborah Yarnell
